

Charisma 2023
Junior Blessings

Dear Parents and Guardians of CHS Juniors,

As in years past, the Charisma yearbook staff is offering you the opportunity to purchase a Junior Blessing. Junior Blessings are special words of affirmation for your student going into his or her senior year. These messages will be prominently displayed in the yearbook to encourage students as they reach the close of their time at Catholic High.

There are two ways to purchase a Junior Blessing:

1. In 50 words or fewer, please write your message to your Junior below. Then drop this form off in the Catholic High Front Office, along with \$80. You can pay in cash, or using a check written out to CHS, with your child's name and "junior blessing" on the memo line.
2. Fill in the required information, scan this document, and email it back to charisma@pensacolachs.org. Then drop off a check or \$80 cash in the CHS front office, with your child's name and "junior blessing" on the memo line.

Please note that no Junior Blessings will be processed until payment is received.

We will take a photo of your child for this ad. All we need are your kind words!

These ads are due Friday, November 18, 2022. Due to publishing deadlines, we will not be able to accept any Junior Blessings past the deadline.

Please email charisma@pensacolachs.org with any questions.

Thank you for your support!
