### Tuition Payment Plans

Tuition payments may be made according to several payment plan options: annual, semi-annual, quarterly, or monthly over 12 months using a FACTS tuition payment plan (the mandated Diocesan payment method).

For the 2020-2021 school year, the first tuition payment, on any payment plan, is due by May 10, 2020. Personal or company checks will not be accepted after April 10, 2021. Payments after this date must be in the form of cash, cashier's check or money order.

Our tuition policy states: Any time a family's account is more than one month behind, the student(s) will not be permitted to attend class. Once the account is current, the student (s) may return to class. In order not to impact your student's education, please make all monthly payments by the 10th of each month. Any family in violation of this policy will also receive an invoice for the specific amount due from the CHS Finance Office.

### Early Withdrawal

If a student withdraws from school prior to the beginning of the school year, two months of tuition is non-refundable. If a student withdraws from school once classes have begun, tuition up to and including the quarter in which the student withdraws is non-refundable. Prior to the beginning of the school year, if two month's tuition is not paid, the student's registration at CHS may be cancelled to provide space for others.

## Student Laptop Lease Fees

All students must enter a lease-to-purchase agreement with CHS in order to acquire a school-assigned MacBook. The lease fee will be for 48 months and is paid in conjunction with the tuition payment schedule selected by the parent, all of which begin in May, 2020, for 2020-2021.

Class of 2021:	\$59/mo. \$708/yr.
Class of 2022:	\$61/mo. \$732/yr.
Class of 2023:	\$58/mo. \$696/yr.
Class of 2024:	\$58/mo. \$696/yr.

**Laptop Insurance is Included in this amount.**

### Textbook and Annual Fees

Textbook (digital license) costs vary with course selection. The estimated cost range for books, digital licenses and other fees is between \$500-\$700 per student. Textbook costs and annual fees must be paid in full before the first day of school.

### AEP Fees

\$50-\$400, depending on the level of support received by the student.

## SOURCES OF FINANCIAL AID FOR CHS STUDENTS

There are two sources of Financial Aid for CHS students. The first source is:

### CHS-Funded Financial Aid

This source of Financial Aid is funded solely by CHS for those in need of financial assistance for tuition and/or laptop fees.

Catholic High School uses the services of a third party vendor, FACTS Grant & Aid Assessment, to assess financial need. CHS attempts to assist families whose ability to invest in private school education is less than their incurred costs.

Financial Aid Applications are available to anyone who has a registered student at Catholic High School. All financial aid granted to CHS students (for tuition and/or laptop assistance) is granted on the basis of family financial need.

For returning students, Financial Aid applications are available in January. For incoming Freshmen the applications are available at the time of registration. **A new application must be submitted each school year.**

Once a determination on a family's application has been rendered by FACTS Grant & Aid, the CHS Finance Office will inform parents—typically by the middle of April—of the amount of tuition assistance and/or laptop assistance to be granted. These amounts are determined by the difference between the tuition/laptop lease amount and the *Effective Family Contribution* as determined by the FACTS application.

Tuition assistance and laptop assistance are granted for a given school year. Parents must re-apply each year in order to obtain Financial Aid (tuition assistance and/or laptop assistance) for the following year.

Application for Financial Aid must be made online. Links to the application documents are located on the CHS website ([www.pensacolachs.org](http://www.pensacolachs.org)) under the Admissions/Tuition and Financial Aid tab. To be considered for financial aid, it is **MANDATORY** to complete an application online at FACTS Grant & Aid.

The completed Grant & Aid Application, accompanied by a copy of your 2018 or 2019 IRS Form 1040 with all schedules and your 2019 W-2 forms and an application fee, are due to FACTS Grant & Aid Assessment by March 2, 2020. The determination on financial need will not be made until the application and all supporting documentation have been submitted and verified by FACTS Grant & Aid.

### **The Second Source of Financial Aid is State-Funded Scholarships**

Pensacola Catholic High School accepts five state-funded scholarships for those who qualify for them according to the State's eligibility criteria:

**McKay Scholarship** – State-funded scholarship for students with an identified learning disability. Apply at [www.floridaschoolchoice.org](http://www.floridaschoolchoice.org).

**Step Up For Students** - State-funded income-based scholarships. Financially eligible families should visit [www.steptupforstudents.org](http://www.steptupforstudents.org) to register or if interested in SUFS scholarships. Funds are limited, so it is imperative that families apply as soon as the window for the following year's scholarship application opens up.

**AAA Scholarship** - State-funded income based scholarship. Financially eligible families should visit [www.AAAScholarship.org](http://www.AAAScholarship.org) to apply online or via paper application. Applications are available mid-March.

*(Continued from previous column)*

**Family Empowerment Scholarship** - State-funded income-based scholarship. Student must have spent the prior school year (2019-2020) in attendance at a Florida public school. Eligible families met complete income verification process via [www.stepupforstudents.org](http://www.stepupforstudents.org) or [www.aaascholarship.org](http://www.aaascholarship.org).

**Gardiner Scholarship** – Part of Florida tax credit scholarships available to students with certain special needs. Those eligible students should apply to [www.stepupforstudents.org](http://www.stepupforstudents.org) and select "Apply For a Scholarship" and then select "Special Needs Scholarship".

*If your family is applying for any state-funded scholarship(s), it is imperative that the CHS Finance Office be notified. You are responsible for the full cost of your child's attendance until an award letter and/or confirmation of enrollment is received from the funding entity (i.e., McKay, Step Up For Students, AAA Scholarship, Family Empowerment Scholarship or Gardiner).*
